

# GREEN PASTURES CHRISTIAN SCHOOL

## NOTICE OF CONDITIONAL ENROLLMENT

Green Pastures Christian School has extended conditional enrollment to \_\_\_\_\_  
This enrollment is conditional due to the following:

- \_\_\_\_\_ Marginal entrance test scores
- \_\_\_\_\_ Disciplinary History
- \_\_\_\_\_ Non-arrival of former school records
- \_\_\_\_\_ Communications from previous school
- \_\_\_\_\_ Other Specify: \_\_\_\_\_

This conditional enrollment releases Green Pastures from any responsibility to further negotiate, convene repeated conferences, or other activities that would require un-necessary man hours to rectify parent/guardian challenges/complaints. It is expected that the financial obligations/schedule will be adhered to without challenge. Specific requirements include, among others: **academic achievement, dress code, behavior, the finance schedule (tuition and fees), attendance etc.** Such policies are clearly outlined in the **Parent Handbook**. It is a **requirement** that these guidelines are followed, **without exception**. The parent/guardian agrees not to initiate legal actions against the school, Administration, its officers or representatives in this regard to actions taken by the school because of infractions/non-compliance.

ALL students newly enrolled in Green Pastures are accepted on a trial basis. While we are committed to serving families, we must also make sure that our responsibility to all families would not be compromised by excessive disruptions due to undesirable behavior, excessive absence or tardiness, or the absence of cooperation on the part of the parent/guardian.

Green Pastures will review the conditional enrollment status **every thirty days** and will **reserve the right to deny continued enrollment** based on consequent findings. **The ENROLLMENT FEE paid at the beginning of matriculation IS TOTALLY NON-REFUNDABLE** and will not be returned under any circumstances. This includes the occurrence of suspension and expulsion. Textbooks and materials are pre-ordered from enrollment funds making it problematic to make refunds available for **enrollment and/or tuition**. Our yearly operation (staffing included) is now based upon admission of your child into our institution. **In some instances we may require on-site mandatory tutorial for students. There are additional fees associated with such services.**

It is our desire to meet the needs of all students however we must reserve the right to make adjustments, including denying continued enrollment, when necessary.
